TIE BREAKER CRITERIA

TIEBREAKERS #4 SEED
Head to Head
Warriors 3, Lancers 2

Final standings will be determined as follows:

1 WIN-LOSS-PTS RECORD

The tie breakers are used in order to advance or seed ONE or more teams at a time.

Each time a tie is broken to advance one or more teams, leaving a tie between two or more teams, the process reverts back to #2 (Head to Head to results)/

2 RESULTS OF HEAD TO HEAD

Example of multiple teams tied: If 3 teams are tied with identical records. Teams A, B and C played against each other. Team A won both games agains B and C. Result: Team A advances, which creates 2-way tied between Teams B & C then the tie is broken by reverting back to #2 Head to Head. EXCEPTION: Under this example if all 3 teams did not play each other, then the Head to head process is not used

3 IF STILL TIED - FEWEST RUNS GIVEN UP. If results of the head to head of the teams involved in the tie cannot be broken, then #3 Fewest runs given up is utilized to break the tie

4 IF STILL TIED - RUN DIFFERENTIAL   Team with highest run differential (runs scored less runs given up = run differential.

5 IF STILL TIED: COIN TOSS
