TIEBREAKER PROCESS

Final standings are determined as:

WON-LOSS-TIE-POINTS

The tie breakers are used in order to advance or seed ONE or more teams at a time.

Each time a tie is broken to advance one or more teams, leaving the situation reverts to criteria #1 (Head to Head results)

1 RESULTS OF HEAD TO HEAD

Example: If there are multi teams tied with identical records and teams A, B, and C played against each other during the regular season, Team A won all its games against Team B and C. Team A gets to advance or the higher seed, that creates a two-way tie between teams B and C. The tie is then broken by Criteria 1 (Head to Head)

2 FEWEST RUNS ALLOWED

If Criteria 1 (Head to Head) results cannot break a tie, then fewest runs allowed during the regular season is used to break the tie.

3 RUN DIFFERENTIAL

If criteria 1 and 2 cannot break the tie, then the run differential is used. Runs scored less runs allowed equals the run differential

4 COIN TOSS

If Criteria 1, 2 and 3 cannot break the tie, then a coin toss is conducted
